RECLINABLE GRAVITY BEACH CHAIR W/ PILLOW & CANOPY

GBC-026

READ THIS BEFORE ASSEMBLING & USING THIS PRODUCT

⚠ CAUTION: To avoid being pinched, keep fingers out of the area where the frames meet, especially while the frame is in motion (aka "Pinch Points"); such as during opening, reclining and closing the chair.

BEFORE USING: Make sure you place chair on an even surface.

WEIGHT CAPACITY: 300 lbs

PACKAGE CONTENTS: Make sure all parts are present & place them side by side for easy identification.

- Beach Chair with Canopy x1
- Pillow x1
- Bungee Cord x1

INSTALLATION:

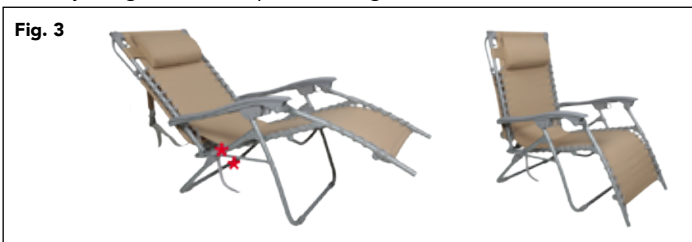

1. Make sure both locking mechanisms are unlocked before proceeding. (Fig. 1)

2. Unfold the chair by grabbing the top of the frame and the edge of an armrest. (Fig. 2)

3. Make sure the beach chair is unlocked and can be reclined before adjusting to a seated position. (Fig. 3)

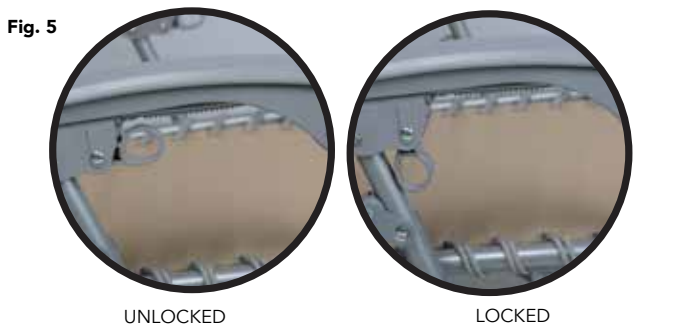

4. Once in the seated position, attach the pillow using the bungee cord. To attach the pillow: (Fig. 4)
 - 4a. First thread the bungee cord through 1 eyelet, then pull bungee cord taut.
 - 4b. Place pillow on seat, leaning against the bottom of the backrest. Make sure pillow straps are not being blocked by the armrests. Lay pillow flat against front of chair as you wrap the pillow strap around the frame towards the back. Pillow straps should only overlap the frame. Guide the bungee cord underneath the back straps and through the other eyelet.
 - 4c. Adjust for desired height.

Fig. 4

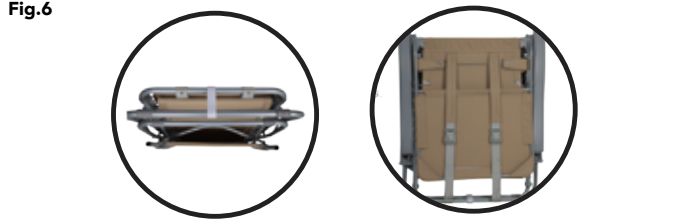

6. Sit in the recliner and relax. To lock the chair in position, use the locking mechanism located underneath both armrests. (Fig. 5)

Fig. 5

7. To close the chair, unlock both locking mechanisms. Fold the canopy so that it is flat against the backrest. Fold the recliner. Secure the folded chair using the hook & loop fastener straps. To use the backstraps for easy transport, unbuckle the backstraps and place over the canopy. (Fig. 6)
